

THE EZRA PROJECT[®]

connecting God's people to God's Word

Happy New Year!

Read with Ezra friends,

2020 was quite the year! His Word was just as timely and inspiring as any other year though. As we turn to 2021, we turn into His Word, a light to our steps and a lamp to our path once again, and preferably daily. How did you do last year? How many did not miss a day with the Lord and His Word in 2020? Let me know; there is value in accountability, right?

In 2020, we covered 17 books. In 2021, we will go through 25 books, basically two Old and one New Testament book at a time. January 1 we start the year in 1 and 2 Kings and finish the month in the Gospel of John. I look forward to another wonderful year with you, day by day in the Scriptures. As you keep the pace, we will complete 42 of the 66 books in the Bible. 2022 will be the remaining 24! We can do this!

If you fell behind, or want to go your own way, no problem. Check out Club 365, Deeper Daily Devotions at www.ezraproject.net or on the ADDBIBLE app. There you can get every ADDBIBLE recording and 33 of the 66 books with a written daily devotion, so you can chart your own course in 2021. At \$4.99 a month, it is a fount of Biblical resources to assist your daily time in God's Word in 2021!

Our theme verse for 2021 is Luke 11:28, *"But he said, 'Blessed rather are those who hear the word of God and keep it!'"* Happy New Year! Here we go!

Abiding in the Word,
Allen J. Huth
